Dear Hiring Manager,

I am willing to work in your company and I am applying for the position of Intern in Android Application Development.

I am a student of Himalaya College of Engineering, B.E in computer . Currently, I am involving in developing some minor android projects. I am familiar with OOP design principles, Basic Core Java, basic git commands.

I have always been a quick learner, hard worker, disciplined and a hungry person to learn. I am more confident about the fact that I could do a lot better if opportunity given.

Thank You.

Yours sincerely,
